**TO WHOM IT MAY CONCERN**

Dear Sir/Madam,

We hereby authorize Dr. Gilberto L. Pardo Andreu to reproduce Figure 3 of his publication in our journal: "Pardo Andreu GL (2021) The rationale for methylene blue utility against SARS-CoV-2 infection complications. J Pharm Pharmacogn Res 9 (3): 379-396. "

As Editor-in-Chief of the Journal of Pharmacy & Pharmacognosy Research, I access it on the sole condition that the original article is cited in the new Rev Cub Inv Bio Med document.

All this I inform so that it is taken into account.

Sincerely,

Prof. Gabino Garrido  
Editor in Chief
